

Annual report 2022-23

Work under progress project during 2022-23.

SGJSS

Shree Guru Jambeshwar Sewa Sansthan

Eye check-up and health check-up program in rural areas

We are proud to highlight the important contribution of Sri Guru Jambheshwar Seva Sansthan's Eye Checkup and Health Checkup Programme. Some of the main points showing the impact of this scheme are as follows:

1. Improved Access to Healthcare: The eye check-up and health check-up program have provided rural communities with improved access to essential healthcare services, including screenings for eye conditions, general medical check-ups, and preventive health education.

2. Beneficiary Reach: Through the support of donors, we have been able to reach 2500 beneficiaries in rural areas, ensuring that individuals who may have limited access to healthcare facilities receive the necessary medical attention and screenings.

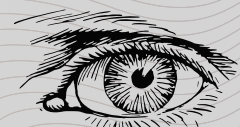

3. Early Detection and Intervention: The program has facilitated the early detection of eye conditions, general health issues, and potential health risks among beneficiaries, allowing for timely intervention, treatment, and preventive measures to improve health outcomes.

4. Donor Support: The success of this program would not have been possible without the generous support of donors who have contributed resources, funding, and expertise to ensure its implementation and effectiveness in rural communities.

5. Health Promotion: In addition to providing screenings and medical check-ups, the program has also focused on health promotion and education, empowering beneficiaries with knowledge and awareness about maintaining good eye health, overall well-being, and preventive healthcare practices.

6. Sustainable Impact: By conducting regular eye check-ups and health check-ups in rural areas, we aim to create a sustainable impact on the health and well-being of communities, promoting long-term health awareness, access to healthcare services, and improved quality of life.

Overall, the eye check-up and health check-up program by Shri Guru Jambheshwar Seva Sansthan, supported by donors, have made a significant contribution to enhancing healthcare access, early detection of health issues, and health promotion in rural areas. As we continue our efforts to expand and strengthen this program, we remain committed to advancing the health and well-being of underserved communities and creating lasting positive change for those in need

The Organization and Training work of women's self-help group

Training Initiatives by SGJSS, Supported by Rajasthan State Co-Operative Bank"

Introduction: Shree Guru Jambeshwar Seva Sansthan (SGJSS) With generous support from the RSCB, SGJSS has been able to empower women in rural Rajasthan through skill-building, capacity development, and community engagement initiatives.

- **Empowering Women:** SGJSS's training initiatives have empowered women in rural Rajasthan, enabling them to enhance their livelihoods, make informed decisions, and become active participants in community development.
- **Beneficial Impacts:** Through our programs, women have experienced several beneficial impacts, including increased confidence, improved financial literacy, and the establishment of successful income-generating ventures.
- **Visual Key:** In this report, we utilize engaging visuals to illustrate the transformative effects of our training work, providing readers with a compelling visual narrative of our impact.
- **Set Goals for the Future:** Looking ahead, SGJSS has set ambitious goals to expand our reach, strengthen sustainability, and foster partnerships for greater impact in the communities we serve.
- **Funded by Rajasthan State Co-Operative Bank:** We extend our gratitude to the RSCB for their invaluable support, which has enabled us to conduct training programs, provide technical assistance, and mobilize resources for women's SHGs.

As we reflect on our achievements and look to the future, SGJSS remains committed to empowering women and creating positive change in rural Rajasthan. With the continued support of partners like RSCB, we are confident in our ability to achieve our goals and build a brighter, more inclusive future for all

Environmental Development Initiatives by SGJSS, Supported by RSPCB"

Introduction: Shree Guru Jambheshwar Seva Sansthan (SGJSS) With generous support from the RSPCB (Rajasthan State Pollution Control Board), SGJSS has been dedicated to fostering sustainable environmental practices and enhancing the well-being of communities across Rajasthan.

- Environmental Impact: SGJSS's initiatives have led to several beneficial impacts on the environment and communities, including reforestation efforts, waste management programs, and the promotion of renewable energy sources.

- Visual Key: In this report, we utilize captivating visuals to illustrate the positive changes brought about by our environmental development initiatives, providing readers with a visual journey of our impact.

- Set Goals for the Future: Looking ahead, SGJSS has set ambitious goals to enhance environmental sustainability further, expand green initiatives to more communities, and advocate for policies that promote ecological conservation and resilience.

- Funded by RSPCB: We extend our sincere appreciation to the RSPCB for their crucial support, which has enabled us to implement impactful environmental projects, conduct awareness campaigns, and engage communities in sustainable practices.

As we reflect on our achievements and look forward to the future, SGJSS remains committed to promoting environmental stewardship and creating greener, healthier communities across Rajasthan. With the continued support of partners like RSPCB, we are confident in our ability to achieve our goals and leave a lasting positive impact on the environment and society

Pradhan Mantri Matru Vandana Yojana

Introduction: In our annual report, we are pleased to highlight the significant contribution of Sri Guru Jambheshwar Seva Sansthan's programs on PMMVY (Pradhan Mantri Matru Vandana Yojana), formerly known as the Indira Gandhi Matritva Sahyog Yojana, in partnership with ICDS (Integrated Child Development Services) since 2014. Here are some key points showcasing the impact of this scheme:

1. Maternal Health Support: Through the PMMVY program, we have provided vital support to pregnant and lactating women, ensuring their access to essential healthcare services, nutritional support, and financial assistance during pregnancy and lactation.

2. Promoting Institutional Deliveries: Our efforts have led to increased rates of institutional deliveries, thereby improving maternal and neonatal health outcomes and reducing the risk of complications during childbirth.

3. **Nutritional Support:** We have focused on addressing malnutrition among pregnant and lactating women by providing them with nutritional supplements, guidance on balanced diets, and access to micronutrient-rich foods, leading to improved maternal and child nutrition.

4. **Enhancing Antenatal Care Utilization:** By raising awareness about the importance of antenatal care visits and facilitating access to healthcare facilities, we have encouraged pregnant women to seek timely medical check-ups, screenings, and immunizations, ensuring healthier pregnancies and childbirth experiences.

5. **Empowering Women:** The PMMVY scheme has empowered women by providing them with financial assistance and incentives, enabling them to make informed decisions about their health, nutrition, and well-being, and promoting their active participation in maternal and childcare.

6. **Collaborative Efforts:** Our partnership with ICDS has been instrumental in implementing and monitoring the PMMVY program, facilitating the delivery of services to vulnerable communities, and ensuring the effective utilization of resources for maternal and child health interventions.

Through the PMMVY program, Sri Guru Jambeshwar Seva Sansthan has made significant strides in promoting maternal and child health, empowering women, and contributing to the overall well-being of families and communities. As we continue our commitment to this important cause, we remain dedicated to expanding our reach, improving program efficiency, and achieving lasting impact in the years to come

Education Material Distribution

With the support of donors, we have been able to provide essential education materials such as textbooks, notebooks, stationery, and learning resources to children from underprivileged sections in rural areas. This initiative ensures that these children have access to the tools they need to pursue their education effectively.

2. Free Education Programme: Apart from distributing education materials, we have also established free education programs aimed at providing quality education to children who do not have access to formal schooling or who are disadvantaged due to socio-economic factors. Due to this, they face obstacles in education. These programs provide a supportive learning environment where children can grow academically and personally.

3. Reaching out to beneficiaries: With the support of donors, we have successfully educated 2000 beneficiaries, helping these children from underprivileged sections access education opportunities that they otherwise would not have had. The scheme has helped bridge the gap in educational access and opportunities for children in rural areas.

4. Empowering communities: By distributing education materials and providing free education programs, we empower underprivileged children and their families to break the cycle of poverty, access better opportunities, and build a brighter future for themselves and their communities. Making

5. Donor Support: The success of these initiatives is due to the generous support of donors who have contributed resources, funds and incentives to make these programs possible. Their partnership has been instrumental in transforming the lives of children in rural areas through education.

6. Sustainable impact: By investing in the education of children from disadvantaged groups, we are not only improving their prospects but also contributing to the long-term development and prosperity of rural communities. Education is a powerful tool for social and economic empowerment, and our efforts aim to create a lasting impact that extends beyond the classroom.

Overall, the education material distribution and free education programs by Sri Guru Jameshwar Seva Sansthan, supported by donors, have contributed significantly to expanding educational access, empowering children from underprivileged sections, and promoting community development in rural areas. As we continue our efforts to advance education equity and opportunity, we are committed to building a brighter future for all children regardless of their socio-economic background
